### Job Vacancy for Five Talents Administrator

Would you like to join the Five Talents team in Croydon? We have a vacancy for an Administrator. Visit our website to read the job description. Please inform your contacts and apply before the closing date of 28th February. Many thanks to Vanessa Henegan who is moving on after almost two years with Five Talents. We wish her all the very best.

### Sandi Toksvig presents BBC Appeal for Five Talents

We are delighted that Sandi Toksvig will be filming with our microfinance partner in Tanzania called the Mama Bahati Foundation. Rachel Millward will be accompanying her and the film crew in March/April and the Appeal is due to be broadcast on BBC1 on 16th May. Sandi is well known on TV and Radio and is sure to make the clients laugh (like Jane, opposite). Rachel will be 'tweeting' from Tanzania—so look for her updates.

### Average loan balance is now just £68

As of 31st of December 2009, we had 13,818 individual loans in circulation with the average loan being just £68. This demonstrates how small the loans are, as many people often start with loans as low as £25 and others borrow up to around £300. We constantly monitor these statistics to ensure we are lending to people at the lowest poverty levels. It is inspiring to know that such small amounts can make such a big difference to people like Isabel (from Peru).
