Sandi Toksvig supports Five Talents

Sandi Toksvig spoke passionately at a recent fundraising event in London about her trip to Tanzania earlier in the year. One of Five Talents' loan clients - Amina - made a big impression on Sandi who says "I think microfinance is absolutely the way forward to give these women nobility and a chance." The evening reception was attended by 75 guests including Immaculate Mwaungulu - the programme leader from Tanzania. You can read more about the fundraiser at www.fivetalents.org.uk/page-press-releases.html. The television appeal was filmed in Tanzania and is available to watch at www.fivetalents.org.uk.

Reverend Rachel Carnegie, the Secretary for International Development at Lambeth Palace spent some time visiting several women's Self Help Groups on the island of Pulicat near Chennai when she travelled to India in October. Reverend Rachel commented "It was profoundly inspiring to witness the transformation achieved in the lives of these women from the poorest coastal communities rebuilding their lives after the devastation of the tsunami".
