**WE
RECYCLE
YOUR
MONEY!**

**AND THIS
IS HOW
WE DO IT!**

IT'S CRUNCH TIME!

Five Talents lends small amounts of money to people like Joy, enabling her to build a family business which can sustain and improve her household. Joy is a member of a group and together the group repays over six months. When Joy's group pays back, the same money is then lent to Jane's group and Jill's and on and on.

Five Talents works with the local church in ten developing countries to provide the best possible business training and loan schemes, serving the entire community - not just Christians! We are already supporting over 20,000 people directly and thousands more indirectly, including family members and employees. We want to expand the current projects and support new partners in other countries - helping people who have always suffered from a credit crunch.

Please invest your "talents", with Five Talents by sending a cheque or donating online. A starting loan is usually £25 and groups are normally made of five people each with a different business plan. Your donation will be recycled many times over - bringing hope and dignity to the active poor - people just like Joy.

Thank you!

Tom Sanderson, UK Director, Five Talents
