

HANDOUT F

(please prepare one copy for each of your students - see page 13 of the workbook)

Dear Parents/Guardians,

For the past few weeks in Sunday school, your child has been learning about poverty and how we can use our God-given talents to serve others. Next week your child will create a business plan for a small business that they will start with a £5 loan. By signing below, you give them permission to participate in this activity and to have a stall at our church-wide Five Talents Market Day on

.....
The proceeds from Market Day will be donated to Five Talents (fivetalents.org.uk) who establish savings groups that helps the poor to start businesses in developing countries around the world. Please note that although your participation is encouraged, the £5 loan your child receives should not be supplemented with any additional funds, and all supplies used in the business must be bought or procured with this £5 only (i.e., if your child uses a bottle of glue from home, they must pay you a small fee for it!)

Thank you!

I,, give permission for my child,

....., to fully participate in Five Talents Market

Day and agree to issue them with a £5 loan to start a new business.
